Subject: Correction to the Domestic Violence Unserved/Underserved Lesbian, Gay, Bi-Sexual, Transgender, Questioning Training and Technical Assistance Request for Proposal (05-45872)

The Department of Health Services (DHS) has just discovered an error made by DHS staff regarding the score a proposal earns that will deem it technically deficient and non-responsive.

Pursuant to **Section N - Bid Requirements and Information, 9. DHS Rights,** the Department is exercising its rights and issuing this correction notice to make the following change to the (Addendum) Request for Proposal (RFP) document:

Page 33: **2. Stage 2 – Narrative proposal evaluation/scoring**

2) DHS will consider a proposal technically deficient and non-responsive if the proposal earns a score that is less than **151** ~~**194**~~ points. Non-responsive proposals will not advance to Stage 3.

The corrected information for the Request for Proposal (RFP), Number 05-45872, has been posted on the Maternal, Adolescent and Child Health/Office of Family Planning (MCAH/OFP) website at: www.mch.dhs.ca.gov.

Sincerely,
